Dear Mr. Andrew,

The Commission reminded Tuntutuliak Community Service Association, Inc. (TCSA) its semi-annual Non-Regulated PCE Fuel and Purchased Power Cost Report Form (fuel report) and annual Power Cost Equalization (PCE) report (annual report) for the year ending December 31, 2021, were due May 31, 2022.¹ On May 26, 2022, the Commission received a request from TCSA to extend the due date of its PCE annual report from May 31, 2022, to June 30, 2022.²

TCSA advised the annual report has been started but more time is needed to complete it. Additionally, TCSA advised due to COVID-19 it is still following quarantine guidelines and has had TCSA employees in quarantine. The Commission reviewed the request and determined that an extension should be granted in filing the annual report and fuel report from May 31, 2022, to June 30, 2022.³

TCSA's attention to the preparation of a complete and accurate report is appreciated. If TCSA has any questions regarding the contents of this Letter Order, please contact Brenda Cox, Utility Financial Analyst at (907) 263-2131 or by email at Brenda.Cox@alaska.gov.

BY DIRECTION OF THE COMMISSION

Sincerely,

REGULATORY COMMISSION OF ALASKA

Julie C. Vogler
